WHO WE ARE

Community Legal Assistance Sarnia (CLAS) provides free legal services to people with low-income in the Sarnia-Lambton, Aamjiwnaang, Bkejwanong (Walpole Island) and Kettle and Stony Point area. CLAS is one of 18 clinics across the province participating in the Sexual Harassment in the Workplace (SHIW) Project.

The SHIW Project is a 5-year project funded by the Department of Justice Canada. The project aims to raise awareness on sexual harassment in the workplace through resources, outreach, and public education.

As part of the project, Community Legal Assistance Sarnia is able to provide free legal advice and information to survivors of sexual harassment in the workplace. If you financially qualify for legal aid services, CLAS will be able to represent you in legal proceedings.
